

# Join Shallbetter at The World's Largest Aviation Celebration!

## Open-House July 30th-31st, 2009

This is the Experimental Aircraft Association's annual convention, which draws over 500,000 people each year. Visitors can see about 2,500 show aircrafts that participate at EAA AirVenture: including homebuilts, classics, warbirds, ultralights, and rotorcraft.

Please join us at our corporate headquarters located just minutes from the air show. Our staff will be providing food, refreshments, and transportation to and from the EAA event.

To RSVP, or for any further questions, please contact Corey Kautzer - [marketing@shallbetter.com](mailto:marketing@shallbetter.com)
